Come ride with us!

Hello Chapter S Newberry Riders,

The month of August was a busy and hot month but a good month for the chapter. We had 15 members to meet at Dempsey for the first Tuesday dinner. On the 5th we had to split up to cover "The Flight Of The Doves" and the "Little Mountain Parade". A few of us then went to the Blow Fish Baseball Game. The third Saturday of the month we had three people ride their bikes to the American Legion Breakfast in Greenville and came back with seven bikers. The big event for the chapter was having our first meeting at our new location, Roma's in Prosperity. We had a great turn out and things are looking like this is going to work out for the Chapter. So for now our meetings will be held on the third Saturday of the month at Roma's at 1 o'clock.

On the 26th we had six people ride up to Greenville for Chapter F's Ride In. We had a good time at this event. On the 27th the Chapter had our last event for the month by doing a cookout at Buddy & Kim Summer's house. A good turn out with 16 people. We also were able to get a picture of some bikes and a great looking car for our banner.

September will not be as busy and hopefully not as hot but we have some great things happening. Check out the calendar for events. We are planning to work in more rides for the bikers. Keep a lookout for the emails. For those of you that are attending the Rendezvous in Knoxville, be careful in your travels and thank you for representing Chapter S and South Carolina. Carla and I look forward to seeing all of you at the next Chapter event. Thank you,

Michael and Carla Ammons
Chapter S Directors

Thanks to additional support from Chapter P, Chapter S had a good showing of bikes in the Little Mountain Reunion Parade.

August 5th

Little Mountain
Reunion Parade

Flight of the Dove
Bicycle Support

To the members/riders of the Newberry Motorcycle Club, Emerald City Bikes, and Lexington Area Wings: Mike and Carla Ammons, Jon and Donna Horning, John and Cindy Wood, Hawk Betts, Vince and Bel Babich, Austin Bartee, Tom Fish, Jack Lewis, Ed Dixon, Angela Franklin, Frank Hozey, Eddie Eldridge, Tim Dabb, Janice Kirby, and Jean. This is the list of names I had, but if I missed anyone, please let me know. (Kim and Buddy Summer – we missed you!)

I send you my sincere thanks for your participation in the annual Flight of the Dove benefit ride this past Saturday. This was my first time organizing the event and experiencing it first-hand. I was overwhelmed by the support the event receives from the community. Seeing the ride 'roll out' in such fine fashion was incredible. Thank you to all the club members who helped by following our cyclists. The bikes I saw were more than motorcycles! Wow, what a ride you all had. Again, I really can't thank you enough. My hope is that you will all be back next year!

I don't have everyone's email, so please share my gratitude to all who were there. And you will be happy to know that we had 274 cyclists and the event raised over \$37,0000! Banner year for sure!

Director of Special Events

VIA Health Partners

Founded as Hospice of Laurens County

August 19th - First monthly gathering at Roma's in Prosperity. We had a large crowd and filled Main Street with bikes. The room was large, the food was good, the service was great and we'll be going back.

Below: August 5th - Chapters P & S joined together to have a night out in Columbia at the Blowfish Ball Game. A fun & relaxing time was had by all.

Above: Our CDs, Michael & Carla, and DDs, Jon & Donna, visited Chapter P's Monthly Gathering at the Flight Deck in Lexington on August 10th. It's a great fun-filled night every time that we go.

Chapter Choice Ride In: August 26th at Chapter F. Renee & Eugene Dent hosted a hauntingly good hot dog cookout at their home near Greenville. If you've never been to the Dent's house, it's like visiting a haunted house museum. Creepy, scary, and something different in every room of the house and yard, even the bathroom was decorated in Halloween attire. There were members from six South Carolina chapters: A, G, F, H, P, & S.

August 1st Dinner Night at Dempseys'

Awesome new & old friends came together for pizza. We loved seeing Miss Doris Taylor & hope she visits again!

Cookout at Summer House: On August 27th, S Members & guests enjoyed the food and even got to participate in a drive-by photo shoot.

Going West: A Route 50 Adventure

It all started many months ago when John Wood decided that following US Route 50, billed as “The Loneliest Highway in America” across the country would be a great ride. And me; not one to miss out on a good adventure; decided to go along and a plan was made.

I usually like to start or end a long trip by attending a motorcycle rally of some sort and since the Wing’d Rider rally in Litchfield, Illinois was not far off of Rt. 50 we thought that would be a good kick off point to head west.

For the first part of the trip to the rally the wives, Jean and Cindy, decided to follow by car then return home while the boys headed westbound. We left out early on June 28th and made Bardstown, Kentucky that evening with 450 miles.

Next day’s plan was to take back roads around the south side of Louisville then take Rt 150 and catch Rt 50 in the middle of Indiana. Well, the weather had other plans for us! At a gas stop the weather map showed storms approaching and we just had time to don rainsuits and get under cover before the skies opened up. This was the way the rest of the day went. Ride a while then find cover from lightning and rain. One bad storm in Poseyville, Indiana pushed us off the road and when the tornado sirens went off we took cover in the school bus garage where the mechanics let us ride out the storm.

Eventually we made it to our motel near Litchfield and settled in for the night with a bunch of wingers from Ohio and many other places, 390 miles.

The next couple days were spent at the rally where we met up with many old friends, shopped at Niehaus Cycle and did a bunch of Route 66 stuff.

To be continued:
