# Newberry Riders

*Come Ride With Us!*

March 2024 Volume 2 Issue 3

## Greetings Chapter S / Newberry Riders,

What a fantastic turn out we had at our last Chapter Lunch. 37 people attended. I would like to thank all our members that attended and our 3 guests that attended and checked our group out. Thank you to Chapter P and F for visiting.

Our Cruisers made it back, some under the weather, but from what I hear it was a great time.

It is time to look ahead. Our Chapter Ride Coordinator is doing a great job coming up with some rides, only if weather, work, and sickness would cooperate. We are going to do our best as a chapter to get out and ride more. One ride I want to bring up is the District Around the State Ride. I am very excited about this ride. A lot of people around the District are talking about it. I hope Newberry Riders have a good turn out for it. There is so much I want to say about riding but I will save it for our lunch gathering.

Please keep a check on our calendar that Kim has at the end of this bulletin so that you know what is coming up and make plans accordingly to your schedule.

In closing, a lot of us have been ill here in the last month with something. We have a lot of people sick with simple colds to Covid to surgeries to major illnesses. Let's keep each other up in prayers and as individuals, let's do what we can to stay as healthy as possible. Please take time for yourself and your health, physically and mentally. Get out and walk and get your body moving and clear your mind. Carla and I will see you soon. Stay safe.

Thank you,

Michael & Carla Ammons, Director of Newberry Riders/Chapter S

# Wingers-N-Waves Cruise

February 2-10, 2024

We had 40 + EWMA SC members on the cruise. Haiti, Dominican Republic, US Virgin Islands, and Puerto Rico awaited the cruisers.

Red white & blue party, Marti Gras party, shops, fine dining, tours, on shore excursions, and on board entertainment were just a few of the fun things that members enjoyed.

# Wingers-N-Waves Cruise

February 2-10, 2024

Napkin folding, dress up, shopping, being tourists, and hanging out at Burger King was on our agenda. Check out Donna's bird aversion to the right.

## Chapter S Monthly Lunch February 16, 2024

Chapter S was visited by Chapters P & F during our monthly lunch and the crowd had fun, food and laughter.

## Chapter S

### Chapter Basket for SC Rally

Please be on the lookout for items to put in our Chapter Basket that will be donated to the SC District for raffle in May. Our theme is Red, White, & Blue, so any items that fit the theme will be greatly appreciated. Give items to Kim or Donna & we will put the basket together. The better our basket looks, the more tickets we get, and our chance of winning money is greater.

# March

The month of March is a transition month in this area. One day it's warm then a day or two later it's cold again. This also makes it hard on motorcycle riders as we are never sure how to dress. You can leave the house on a warm afternoon and before long it cools off and you can get a chill. Mild hyperthermia is a problem to worry about. So, it is always a good idea to carry an extra layer for when a cold front comes in.

With the weather swings this time of year we also don't ride as much. Now is a good time to find an empty lot and do some stopping and turning exercises to keep skills sharp. Can you stop or swerve in time if the need arises? Even practicing a few quick stops can save your hide in an emergency.

Another thing happening this month is the EWMA Round the State Ride happening on March 22 – 24. This ride starts in the upstate in Anderson, SC and follows a route around the parameter of the state with two overnight stops. Riders can ride the whole thing or just a part of it or do a meet-up with the group anywhere along the way. All the info for the ride can be found at [ewmasc.org](http://ewmasc.org) under the Rides and Events tab. Should be a fun event!

So, get out and enjoy the warm days this month and watch as spring slowly comes to our state.

Richard Kitko  
EWMA Safety Ride Coordinator

Good way to show the blind spots in front of a truck I.
