CHAPTER DIRECTORS JOHN & CINDY WOOD

Well folks, we've gotten through February and the good news is the Groundhog predicted an early Spring. With that in mind we have a lot of events coming in March and beyond. With that said let's take a minute to look down the road a bit. The Rally season is upon us with Florida this month, but what I'm looking at is our SC Rally, May 17 & 18. I've included the registration and hope everyone will take to time to pre-register. We are the largest SC Chapter and hopefully we'll have the most folks attend. Even if you only plan to attend one day, pre-register so you're counted. Remember, Vendors look at the number when deciding to attend. I mentioned at the February Gathering for someone to lead the way on coming up with our Chapter Basket. The theme this year is "Red, White, & Blue". If you're interested please let me know. I'm sure we'll also need volunteers too. Get involved, let's take the lead on making our Rally a true success. Cindy will be selling Raffle Tickets for the Grand Prize, so get your book of 11 for \$10 at Gatherings and Dinners. You can see dates for upcoming Region A Rallies in our Newsletter, also check our Chapter "Dates to Remember" for events. Now for March we have some social events, Gathering & dinners, Retiree Ride, and a District "Ride Around the State" which is a multi-day ride with several overnight stops. See the District Website for details. We will also have our annual Chili Cook-Off on March 16th at the Lake Murray Community Center. Come on out and enjoy some great Chili, fun, and friendship at this annual event. Don't think I've listed everything, weather plays a big factor, so be ready for some short notice rides. Keep an eye on your email and if you have a special place you'd like to visit, please let Rich, Bob, or myself know and we'll work on it. The end of the month will be a time for family with Easter closing out the month. Now take a look at some pictures of past events,

We had a good size group of folks on the 9th Annual Wingers & Waves Cruise with eight members of Chapter P. We visited four ports with several taking advantage of the Zip Line in Labadee (Mike, Mary, John, Sheila, Jon & Donna). We also had a few events on board, Veterans Tribute, with John & Sheila taking the costume recognition, Shiela really looked like "Rosey the Riveter" and a great Mardi Gras party. Had a great time, and definitely had plenty of fun & food.

I guess it's become a tradition we have our pre-Valentines Day, Chapter Dinner at Murray's Restaurant in Cayce. I think we've come to Murray's for the past six or seven years. We had a great crowd, including some visitors. It appeared everyone had a good time & enjoyed a good meal, topped off with excellent service making us all feel welcome. Thanks to Donna Baum for arranging our dinners.

We visited with Chapter S on Saturday, February 17th at Roma's House of Pizza in Prosperity. We had 12 members participate with @35 folks total. Great food & service. Congrats Cindy! taking half to the 50-25-25.

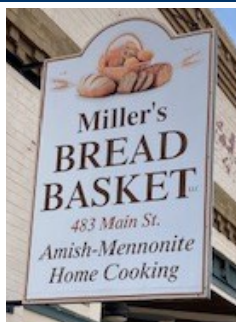

We were blessed with some great weather for our monthly Retiree Ride to Millers Breadbasket in Blackville. We had two meeting spots so folks from the Pelion area didn't need to ride over to our normal meeting site. We had 10 bikes meet in Lexington, WOW what a good number. At 1030 we headed over to the next site in Pelion where we had two bikes and one four wheeler join the group. We departed for Blackville at 11 taking SC 3.

March 10th

The group arrived at the restaurant with ample parking allowing us to line up. Group looked great with all the bikes, ranging from Goldwings, Spyders, and Harley Tri-Glides. What a display for the locals to enjoy. I'd called ahead and they have a table of 14 ready. If you haven't been there, it's cafeteria style getting served. Have a seat and a server will bring your drink, desert, or both. After enjoying a

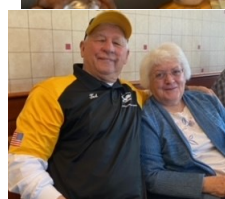

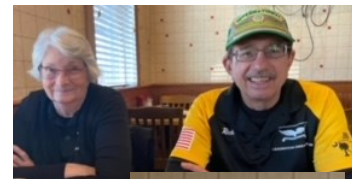

good meal we all met in the parking lot, I asked everyone to get together for a photo shoot, but with all the conversation I forgot to take the picture. Senior Moment! Our next stop was Healing Springs on the way home. Some opted not to stop, but those who did retrieved some healing water before the group headed out for home. It was a great riding day, hopefully with the weather getting better we'll be able to enjoy more rides. I encourage folks to come out & enjoy the fun.

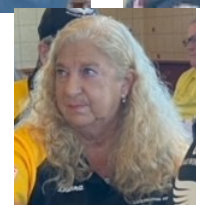

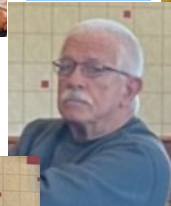

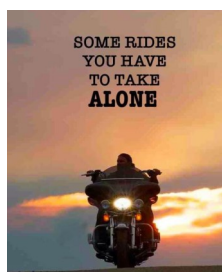

We had a good crowd at our Gathering, along with some visitors from Chapter S. After going over some past events we moved into the upcoming ones. March will be a busy month with dinners, rides, camping, and our annual Chili Cookoff. Our next Gathering will be March 9th and will be the second Saturday at Lizards Thicket beginning at 9 am. We celebrated Birthdays, but had no anniversaries in

February. The Quarter Jar name was drawn, but he was (Hawk) not in attendance, so the money will roll over to next month. After hearing from Bob on progress for the Tour of Honor, and Rich of possible upcoming events we closed the Gathering with our 50-25-25 drawing. Congrats to Frank Wilson & Rich Kitko on taking the winnings,

We're planning a camping trip to Kings Mountain State Park, March 25-28. We have 8 going right now, on sites 108, 109, 110, 112 if you're planning to make reservations. Our final event for February was our Chapter Dinner in Irmo at Bellacinos. Thanks Donna!

Extra Pics Thanks Frank

Assistant Directors & Webmaster Bob and Donna Baum

February is sort-of a strange month. In South Carolina, it's transitional. It's not really winter, and it's not really spring. One day it'll be 70 degrees, the next it's 38 and raining. So we have to take advantage of the nice days as they come along.

Still being a member of the working class, we don't have the opportunity to ride during the week so a sunny warm Saturday or Sunday is like a gift. Unfortunately for us, February didn't cooperate. We still haven't been on the bike since January 1 st . □

We started the month on the 9 th Annual Wingers-N-Waves Caribbean cruise. The ship left Port Canaveral on the 2 nd returning on the 10 th . We had stops in Haiti, The Dominican Republic, St. Thomas and San Juan, Puerto Rico. There were over 350 Wingers on board

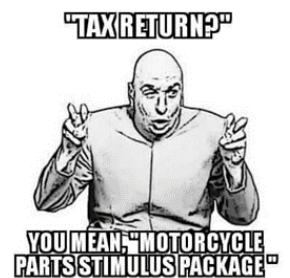

with more than 40 of them coming from South Carolina. I think everyone had a good time (who can forget HSMM LOL) and is looking forward to next year's cruise. It promises to be a big deal as it's the 10 th Annual. Check it out at wingersnwaves.com.

Our March Tuesday dinners will be at Grecian Gardens on the 12 th and The Flight Deck on the 28th .

Lastly, the time has come to let go of our 2012 GoldWing. It has been a great bike that we've owned it since new and comes with many extras. Too many to list here. It only has 45K on the odometer and has been meticulously maintained. Feel free to contact me for more information or pictures. 803-767-2644 (you'll probably have to leave a message)

As always, if you have any ideas for rides or Tuesday dinners please let us know.

Until next time, Fins Up!/.).....

March

The month of March is a transition month in this area. One day it's warm then a day or two later it's cold again. This also makes it hard on motorcycle riders as we are never sure how to dress. You can leave the house on a warm afternoon and before long it cools off and you can get a chill. Mild hyperthermia is a problem to worry about. So, it is always a good idea to carry an extra layer for when a cold front comes in. With the weather swings this time of year we also don't ride as much. Now is a good time to find an empty lot and do some stopping and turning exercises to keep skills sharp. Can you stop or swerve in time if the need arises? Even practicing a few quick stops can save your hide in an emergency.

Another thing happening this month is the **EWMA Round the State Ride** happening on March 22 – 24.

This ride starts in the upstate in Anderson, SC and follows a route around the perimeter of the state with two overnight stops. Riders can ride the whole thing or just a part of it or do a meet-up with the group anywhere along the way. All the info for the ride can be found at ewmasc.org under the **Rides and Events** tab.

Should be a fun event!

So, get out and enjoy the warm days this month and watch as spring slowly comes to our state.

Service Bulletin

American Honda Motor Co., Inc.

GL1800 #27
February 2024

SAFETY RECALL

2020-2024 GL1800/B/BD/D/DA Fuel Pump Replacement

BACKGROUND

Honda is launching a **SAFETY RECALL** on **CERTAIN** 2020-2024 GL1800/B/BD/D/DA motorcycles to inspect and, if necessary, replace the fuel pump assembly. Due to a manufacturing defect, the impeller inside the fuel pump can warp or swell when exposed to fuel, causing the impeller to lock in place and prevent fuel flow to the engine. A locked impeller can cause the engine to stall without warning while riding.

AFFECTED UNITS

As of February 9, 2024, **YOU MUST NOT SELL CERTAIN NEW or USED** 2020-2024 GL1800/B/BD/D/DA motorcycles until they are repaired according to this Service Bulletin.

- To search for applicable recalls on a specific unit, you **MUST** use *Unit Information on iN*.
- To manage your affected new inventory, use your dealer *eResponsibility Report on iN*.

CUSTOMER NOTIFICATION

American Honda intends to mail customer letters to all owners of affected 2020-2024 GL1800/B/BD/D/DA motorcycles in April 2024. Customers will be informed that their motorcycle may be affected by a safety related defect and will be advised to make an appointment with an authorized Honda dealer for repair.
