

SOUTH CAROLINA DISTRICT NEWSLETTER

AUGUST 2024

Hard to believe that 2024 is over halfway gone, where does the time go?

I believe the weather is finally cooling off enough that we can get some riding in. That is if the rain holds off. I've managed to put a few hundred miles on the bike this month, in-spite of Mother Nature. I hope you have as well.

Not a whole lot going on in the district this month, but Donna and I are going to try to attend as many chapters as we can before rendezvous at the end of this month. I encourage everyone to get out and visit different chapters; if you're not then I don't think you are taking full advantage of your membership.

On August 29-31 Donna and I will be at the second annual EWMA Rendezvous, we hope to see many of our SC friends there too. Because of my work schedule we will not be taking the bike, instead we are flying out on the 28th. There are several people riding and if you would like to ride along please contact me and I can get you in touch with someone.

Don't forget our District Camp Out in October; there may still be some campsites available. Call Santee State Park or go on line and look under the Cypress View Campground. If you don't camp and would like to join us just for the picnic on Saturday that will be awesome. Just make sure you contact either Mary Coral or Donna and I so that we can get a head count.

Thank you & ride safe

SOUTH CAROLINA

DISTRICT NEWSLETTER

AUGUST 2024

Hello everyone.

I hope everyone is doing well. I have not been able to do any riding but sure hope you have. The District has some things planned so I hope you will be able to get out to them and get involved. I encourage everyone to ride and possibly visit other chapters. If you do get to go riding, be safe in this heat. Stay hydrated. I hope we can all get together soon at one of the events going on by District and chapters.

Thanks.

Michael and Carla Ammons
Assistant Director of South Carolina.

SOUTH CAROLINA

DISTRICT NEWSLETTER

AUGUST 2024

Hope everyone is doing well. Between hot days and afternoon thunderstorms I have not been riding very much. This is a great time to attend come classes. Thanks to Paul and Suzette Wood for opening up their home to give is a class on Myroute app. so that we can plan more rides. Then thanks to Don and Rhonda Weed for putting on a First Aid and CPR class. I know that taking these classes sounds boring, but I still learn new stuff even though I have taken a CPR class about 6 or 7 times. This is something that is good to keep training on, because you never know when you may happen to come up on a situation that this training could save someone's life. If you or your chapter would like to hold a training class, please reach out to your Chapter Director or someone on the District Team to get in touch with the right people to hold a class. You can also go onto ewma-world.org and look under members resources, then click on documents and you will find classes that you can give in your chapter. One of the classes that would be great is Parking Lot Practice.

Please stay hydrated and safe.

Jimmy Kruse
District Ride Coordinator

DISTRICT NEWSLETTER

AUGUST 2024

“Fun Comes in All Shapes and Sizes”

As most of you know, getting together with EWMA members means the fun can be all kinds of activities!

We not only love to ride and visit places, but we enjoy games, music, bowling, camping, laughing, telling stories and especially serving others.

If you know someone who is looking for a fun group who likes to ride (2, 3 or 4 wheels), share some of the activities that are planned. Check out the District Calendar.

At the end of August, we are excited to attend the Rendezvous in Green Bay, Wisconsin! Jimmy will be riding the bike and I will meet him there. I decided to take a plane flight. Hope to see many of you there!!

Have a great August and stay cool!

Susan Kruse
Events Coordinator
