Come Ride With Us!

November 2024 Volume 2 Issue 11

Hello Newberry Riders,

I hope everyone has been able to recover from the storm. Please keep those in North Carolina in your prayers.

Octoberfest was very good. I just needed the weather to cooperate so we can get some rides in with the people we talked with. We had a ride on the 27th around the lake but a cold front moved in that Saturday night and Jon Horning and I were the only two that made the ride. That's ok, it was a cold ride but I was glad to be on the bike.

Our next event that I need bike riders for will be the Newberry Veterans Parade on November 9th. It will be good exposure for our group and what a better way for us to support our vets. I really need those of you that have a bike and can ride please come and participate. The parade is at 10:00 Saturday, November 9th. Line up starts at 9:00 so if you show up between 9:00 and 9:30 that would be great.

Get out and ride. I hope to see you soon. Thanks,

Michael and Carla Ammons
Director of Newberry Riders

We had a very good day at Octoberfest on the 19th. Thanks Jon Horning for helping. It was a productive, enjoyable day meeting new people and talking about riding. I don't know how many people we talked with; I'm guessing 30 to 35 maybe more. 20 gave me their email and want to know more about Newberry Riders and the EWMA group. I believe we will be seeing some for sure very soon on some rides. I'm glad I put the time and effort into setting up a booth at Octoberfest.

The Monthly Chapter Lunch at Roma's in Prosperity on October 19th was attended by nine Chapter S members and two guests. While Chapter Director Michael Ammons held down an info booth at Octoberfest, Jon Pelletier directed the gathering. The winners of the 50/25/25 were Nancy Avery and Donna Horning & Carla Ammons. Next monthly lunch will be at Roma's on November 16th at 1:00. Chapter S Christmas Party will be held on December 14th at 1:00 also at Roma's. Come visit us & find out about our rides and other events..

Antique Ride

Hurricane Helene came through and postponed the G.A.S. Vintage Motofest to later in the month, October 19th. It was already on our ride calendar so it was time to go check it out.

Saturday was a bit chilly but three riders and one passenger met at the usual gas station with two riders added en-route. The bike meet was in the town of Piedmont, SC in the upstate.

After meeting the last rider in Saluda we took scenic back roads through the countryside. It was a beautiful day to ride, finally finding our way to the show. This meet was a one day antique bike show and not a rally. It was held at an old mill building beside the Saluda River. If you enjoy old motorcycles this show was the place to be.

Oogling shiny old motorcycles worked up an appetite so we set off to find something to eat. A restaurant named "The Clock" was recommend so we set off to find it, only to find out there is more than one! The closest one was selected and off we went again.

After lunch we headed to Newberry to meet up with EWMA Chapter S who had a booth set up at the Newberry Oktoberfest. A walk around the festival and a few words with our District director and it was time to head home. It was a long day of riding with 360 miles.
