June 2025

We have another great rally in the books. I want to thank all of you for coming out and making it a success. We couldn't do any of this without the support of our members.

With 2025 in the books, we are already hard at work to make 2026 even better. If you haven't already heard we will be in Piedmont, SC next year. May 14-16, 2026; put these dates in your calendar.

The Georgia/Region A Rally is quickly approaching; it is in beautiful Helen, GA this year and you still have time to register, so come on out and join us for a good time.

The next SC district event will be our District Picnic at Santee State Park, Cypress View Campground. The picnic itself is on Saturday October 11th. Normally we charge a small fee to help pay for the meal and we have even advertised this on our flyer, but this year the District is going to change it up a bit. If you preregister your meal is going to be free, but if you fail to preregister you will be charged \$6 at the door. This is our way to say thank you and to give back to our members. If you have already paid for your meal you will be reimbursed at the picnic. So if you plan on attending please contact Mary Coral and let her know so we can get a headcount. We want to make sure we have enough food for everyone. For those of you that like to camp there are still a few sites left in the cypress view area, so please make your reservation now. As always we will be having a campers' get together; this year John & Karen Higgins have graciously offered to host.

With having graduation celebrations and all this rain it has been difficult for me to get out and ride. That's all behind me now (well except the rain, I can't control that) so it's time to get out and ride.

Thank you,
Jon & Donna Horning

I want to first say thank you to everyone who came out to the SC Rally! We had an awesome time and it was great seeing all our friends and meeting new ones. I also want to give a shout out to our Amazing SC District Team. All of us worked hard to make it a fun time for everyone and I feel we accomplished it! The Rally had rides, games, vendors, presentations, and fun activities for everyone. If you did not find something to enjoy at the Rally, the town of Newberry was a wonderful place to explore! Congratulations to all the winners who participated in the activities and raffles.

We are now excited for the 2026 Rally that will be held upstate in Piedmont, SC! It is a small town but there are so many things to do in the area, with plenty of rides to enjoy. The District Staff is again planning rides & activities for everyone. We, of course, are always open to suggestions about what you would like to do or see at the Rally!

The next thing planned for the District is our Annual Picnic at Santee State Park. Please get your registration to me early so we can plan appropriate for the meal and the fun!!!

As always if you have any questions about anything, please call, or email me. If I do not recognize the phone number I will not answer, so please leave a message and I will call you back as soon as possible.

Until next time!

Well another year in the books, hope everyone had a great time at the rally. So now it's time to start planning and marking your calendar for next year's rally. Lots of things will be happening at the rally next year. We are planning lots of rides some guided and some self guided rides. We plan on having lots of choices for venders and will ride to some.

Piedmont Community Center is a cool place off the beaten path so we can enjoy rides without having go thru a big city or on big roads.

If you have ideas on how to make the rally more memorable please pass it on to your Chapter Director or to one of the District Team Members. When you see a post on the district website please like, share and comment.

Encourage people to join in the fun and ask past members to join us and take another look at EWMA.

Thanks,

Jimmy Kruse
Assistant SC District Director

Hope everyone has recovered from the South Carolina Rally. I had a great time with friends and heard lots of good things from people. Time to start thinking about the District Cookout in a few months. In the meantime get out and enjoy relaxing rides with friends.

“SC Rally Rocked”

The SC rally rocked with over 120 in attendance! There were folks who came from various states. We were thrilled that a couple we met on the last cruise came from New York. It was great to see them and enjoy some laughs together!

Everyone was involved and supported the theme “Supporting Our Troops”.

We had Uncle Sam, an appearance of Marilyn Monroe and Bob Hope and folks wearing red, white and blue.

A big thank you to everyone who helped, participated, volunteered and showed their appreciation.

Looking forward to the next get together!

Everyone seemed to have a good time at the Rally. Congratulations to all of the winners! We had a lot of real good looking Chapter baskets. Great job Chapters!

We should be into the riding season. Georgia seems to have a good Rally planned, if you are able to attend it should be fun. Watch for planned rides on the District Web Page for scheduled rides. Let's have a great, safe summer!

Our 2025 SC District Eagle Wings Rally at the Newberry Firehouse Conference Center was a great reminder of past rallies held in Newberry when Buddy and I were District Directors. The fun and excitement of coming together to see good friends in the mist of a rally atmosphere is something that we won't forget. This year was the first year that every chapter basket was beautifully displayed with red, white & blue/military Rally Theme, brimming with goodies, cards, and money. I appreciate the effort put in by every chapter that donated. Also, the items on the Silent Auction Display were worthy of good bids. I'm glad that the items I made brought the SC District a little profit and helped make an exciting end to the bids at 12:30 Saturday. If you didn't stay for the ice cream and Costume Contest Friday night, you missed the entertainment of the SC District Team dancing out "Fortunate Son" style with all their military/patriotic attire. I know we got many laughs. Attendees also played cornhole baseball in the street and the final two teams ended in an overtime tie. Guided rides: Rose Hill State Park and the Dam Ride (around Lake Murray), were well attended and enjoyed.

I heard many members say that they loved Newberry and the surrounding areas because of the friendly folks and laid back atmosphere. Well, if you like that, our 2026 SC Rally should be a hit in Piedmont, South Carolina. The Rally Flyer is out and I'll start posting it to this newsletter after the SC District Picnic Campout in October. See you on the road,
