Come Ride With Us!

Eagle Wings Motorcycle Association - South Carolina Chapter S

Hello Fall,

Thanks to all members for coming to meetings, dinner rides and anything the chapter does. I appreciate it.

September was a busy month with Rendezvous and the NC Rally. Both were fun and we loved to see our friends.

Our Monthly Dinner Ride is October 6th at Na'cho Margarita's in Newberry on Hwy 76 across from the old Ronnie's (now Mi Mi's) at 6:00 pm. We will NOT have a monthly gathering this month because we will be at the SC District Campout & Picnic at Santee State Park.

We had planned an Apple Ride on October 11th but had to change it to Sunday, October 25th. We are going up back roads to Granddad's Apple's. I will send out a time and meeting place. Hope all can come.

Your Christmas Party is December 20th at 12:30 at Roma's in Prosperity. Bring a gift to exchange if you want to participate. Please bring something you would want to take home. Please plan to give Brandy, our waitress, a little extra for Christmas. I will bring a card to sign and give to her; she does a great job for us all year.

Mark your calendars for January 16th; it's the District Kick Off at Lexington Community Center and everyone is invited.

Rendezvous Ride

The beginning of September signals Labor Day and the long weekend is also Eagle Wings Motorcycle Association Rendezvous Motorcycle Rally. This year held Sept 3-5 in Sharonville, Ohio; a suburb of Cincinnati. Several in our area hooked up with Ch-H in York, SC to head to the rally.

Three riders left Prosperity at o-dark-30 Sept 1st heading to Blacksburg to meet the rest of the group. Three more brought our total to 6, a good number for a group ride. The ride plan for the day was to head to Charleston, West Virginia to spend the night. I know, that looks like a weird way to get to Cincinnati but there was an ulterior motive to our madness but Ohio Route 555 was on the menu for the next day. We traveled mostly back roads that were full of long sweeping curves through the mountains. 463 miles.

Day 2 had us leaving the motel and following the river to Little Hocking, Ohio and the lower starting point of Rt. 555. Also known as "The Triple Nickle" 555 is 62 miles of smiles. The road is a twisty-turny up and down motorcycle roller coaster through rural farmland and forest. A stop at the Triple Nickle Cafe to look for a souvenir sticker and there was a blueberry pie on the counter that I couldn't pass up a slice. After pie and finishing the route we regrouped in Zanesville which is the northern terminus of 555 and headed down US Route 22 toward Sharonville.

Rt 22 starts in Newark, NJ and runs to Cincinnati and is one of the original US Numbered Highways, founded in 1926, 649 miles long. Why the history lesson? Growing up in Pennsylvania not too far from Rt 22 and driving truck and riding motorcycles I have, along with this last leg, traveled most if not all of Route 22. The old time truckers would tell stories of hauling steel from the mills in Pittsburgh to New Jersey, long before I-80 came along. Traveling west from Zanesville I noticed a couple stone markers along the road and a little research prompted this history lesson. I guess I'm just a road person. Many times for motorcyclists the road IS the destination!

After a long hot day through the rural countryside traffic got heavy as we neared the city. Good thing it was late in the day as the rush hour traffic was leaving as we were entering. Finally reaching our hotels and some much needed AC we ended the day with 294 miles.

After time at the rally I decided to take the long way home stopping in Pickerington, OH at the AMA Motorcycle Museum then to Washington, PA and an overnight with family. Next day it was down through West Virginia just missing a large storm heading to Willville Motorcycle Camp at Meadows of Dan, Virginia to spend some time with the characters there and an overnight. Next day heading home with 1625 miles for the whole trip.

911 Memorial Ride

I had the privilege to ride in the 911 Memorial Ride in Charleston on September 13th. My words cannot describe how unbelievable this ride is. The people putting it together for the past six years do not get enough recognition and the Charleston Law Enforcement do a remarkable job keeping it safe. Every intersection, every on ramp is shut down for hundreds of bikes to go through. If you have ever been down Interstate 26 into Charleston then you know how busy it is. It is completely shut down for bikes to make their way to the Ravenel Bridge. It's an amazing site to be part of hundreds of bikes going over Ravenel Bridge with no cars. Fantastic Memorial Ride!

We were registered but missed Rendezvous and the 911 Memorial Ride because Buddy was having health issues. But after many doctor appointments and still a few more to come, he should be getting some relief soon. We attended the NC Rally in Silva last weekend with Libby Jennings and her small dedicated crew; had a great time and they even let Buddy call a few Bingo games! Those folks sure do know how to entertain!

Our next big event will be our District Camp Out and Picnic at Santee State Park. We'll be camping that week and have lots of fun planned. So if you don't camp, come out Saturday for the picnic and Jon has promised good weather! Hope to see you there.
